

10 February 2015

**Holi Greetings from the Consul General of India**

I am glad to learn that the Indian Canadian Organization is planning to organize a community celebration of Holi and to launch its annual magazine on the auspicious occasion.

On behalf of the Indian Consulate in Toronto, I would like to convey our good wishes to dear friends, brothers and sisters on the occasion of Holi which is a festival of colours and opportunity to share joy in the community and build ties of friendship and understanding.

I also take this opportunity to wish the Indian Canadian Organization success in its efforts to promote and nurture Indian cultural and spiritual traditions and values. I look forward to working together with the Indian community in the Greater Toronto Area for further strengthening India-Canada friendship and cooperation.

**(Akhilesh Mishra)**

**Consul General**
