Message from the Mayor of Newmarket

On behalf of the Town of Newmarket, I send my sincere greetings to the members of Indian Canadian Organization (ICO) and the Indian-Canadian community.

The Town of Newmarket is rich in heritage and culture. We applaud organizations like the ICO, who are helping to celebrate success, equity and diversity in our community.

Newmarket is proud to support community groups that are dedicated to a vision of cultural heritage and development.

Every year, Newmarket collaborates with our residents, community groups and local businesses, who share a passion in celebrating the arts and culture to host various cultural events.

I would like to extend my invitation to everyone at the ICO and the Indian-Canadian community to visit Newmarket and see for yourself, the rich arts and cultural heritage we have to offer.

Sincerely,

A handwritten signature in black ink that reads "Tony Van Bynen".

Tony Van Bynen
Mayor of the Town of Newmarket
